Clemro Aggregate & Mining Equipment

Clemro and its staff are proud of the fact that they are the Canadian leaders in the aggregate industry.

The engineers technicians and all the other personnel believe that a job is not worth doing unless it can be done well.

Product Selection:

Clemro Western offers a complete line of aggregate and mining equipment. Clemro components are built tough to give you many years of trouble free service.

All plants can be custom designed to provide you with optimum production at the lowest possible cost per ton.

For dealership information phone fax or e-mail us.

Factory Support:

Clemro has the most outstanding factory warranty in the industry. Five (5) year warranty on the main frame and one (1) year warranty on all Clemro manufactured parts. Twenty-four (24) hour, seven (7) days a week ties your company into Clemro's massive parts and component inventory. All this is supplemented by your local Clemro dealer organization.
